THE THREE EASY STEPS TO GREAT TEAM PHOTOS

BOOKING YOUR TEAM PHOTO SESSION

1. You book the date with CMGSPORT and confirm the price you want to charge.
2. We supply pre-printed envelopes with your set price, normally 3 weeks in advance.
3. You might want to choose a specific colour or style.
4. Your coaches and managers collect names and money.

TAKING THE PHOTOS

1. We arrive an hour before the start time to set up.
2. We have our own lighting, backdrops, so all we need is the space to work and access to electricity.
3. We take the photo. Each photo takes approx 5 minutes
4. We supply a proof immediately.
5. Names and headings are filled in on the envelope.

Note: Spelling and grammar are vital so clear handwriting must be used and we do need a contact number for each team for any queries.

6. We collect the envelope for each team with the money.

PRINTING THE PHOTOS

1. We edit the photos, and typeset the proofs.
2. Coaches or managers will be sent an email to view their team photo and confirm spelling etc.
3. Proofs are finalised, printed and laminated.
4. Photos are despatched in 2-3 weeks (unless otherwise requested).
5. The cheque for your club contribution is sent at the same time.
